

Ohio Administrative Code

Rule 5501:2-2-09 Advertising devices located on scenic byways.

Effective: April 30, 2023

(A) Once an application for the designation of a scenic byway has been submitted and received by the Ohio department of transportation, all applications for the erection of an advertising device and sign face to be erected on a proposed scenic byway subsequently received by the advertising device control section will be held in abeyance, and no decision will be made thereon, until the director has determined pursuant to section 5516.05 of the Revised Code whether to so designate that road or highway as a scenic byway.

(B) Advertising devices visible from a scenic byway erected without a valid permit will be subject to removal pursuant to section 5516.04 of the Revised Code.
